Mission Note

As a church, we are actively seeking more ways to support our congregation members. One of these ways is to attempt to communicate local mental health resources available. Pastor Geoff has information for The Counselling Centre in Brandon. This is just one resource locally that provides affordable counselling for individuals, couples, families and groups.

Library Committee Note: Are any burdened with praying for a prodigal in your family or in your circle of influence? The library just received a large box of excellent books. Many on spiritual warfare, how to bombard the gates of heaven. Books on health and some lighter reading as well. There are 13 new DVD's, Paws & Tails, for our eager little learners. Visit the library and expand your horizons. Also if you've had books or DVD's out for quite some time, how about returning them to give someone else a chance to read them and then take them out again if your need to. Enjoy! Trudy Unger, Library Committee.
