Mission of the Week **Solomon Islands Ministry**

A month ago, our CCI Fiji staff ventured into one of the most primitive villages on earth. This village, which is made up of 21 tribes, is situated in one of the islands in the Solomons. There are only 3 families who know of God here. Worship of the dead is still practised. Some people are still without clothes.

Our ministry has been given a piece of land to set up home in this village. Please pray for us as we make the final decisions for Patricia's flight to the Solomons and for us to register the ministry under NGO in the Solomons so that we will do things legally.
