Mission of the Week

Fiji Islands—Chad and Patricia Reimer

A week ago, the ministry finalized a long term lease agreement on a 17 ½ acre piece of farm land. Please pray that we will continue to make Godly and wise decisions regarding the set-up of the new base which will be used as a centre for staff training and counselling. Our staff will farm and raise animals to help finance the ministry as we expand to other countries in the South Pacific.

There is a Hindu idol that is used as worship under the mango tree that is next to the house. We pray and declare, on the authority of His Word, that Jesus has disarmed all authorities and rulers and delivered this property for the furtherance of His kingdom. Please pray for the salvation of all the surrounding Hindu families around the area.

Update from Albert and Elvira Enns—Extended Hands Ministry

Hello Everyone: Greetings in Jesus wonderful name! It so great living in the grace of God our Heavenly Father.

Praise items:

Healing from my back surgery is taking place. Two bent and distorted rods, along with six screws in my back, were removed and replaced with larger ones. A cage surrounding 3 lower discs in my back was also rebuilt and will take 6 months to heal. My body must grow the material to fuse the 3 vertebra together. Praise God, the damaged nerves on my right side were not destroyed and are now regenerating. It's going to be a long recovery but I'm believing the Healer is going to complete the work!

Prayer items:

Valentina is under a lot of stress as she writes final exams and her bachelor-IT exam in preparation for university. She wants to take linguistics and learn 4 languages. She is experiencing some undiagnosed health issues. She sees the doctor next week. Please pray for her health.

The Bible School semester will start June 25th. The 3rd level is continuing and there is a new intake of students (approx. 20). This will be followed by the campsite opening up for churches and kids/teens to attend.

This is going to stretch our already insufficient funding. We are really struggling with our finances this year and are seeking the Lord for greater provision. Please pray with us that God's provision will cover all expenses.

God bless, In Christ's service: Albert and Elvira

 during Sunday School, June 3, 2018.**
