Ten part series on the Six Days of Creation

TMBC Update: We are in need of volunteers to enable work to continue throughout the summer on the new facility. If you are available to come for a few hours/day or ???--please call the camp at 747-2587 and Art will let you know what things are needing to be done. Our spring crew who have been assisting are now involved with school groups the rest of June, so unable to continue lending a hand.

There is also a huge shortage of COOKS across the summer and we still need health officers for 3 of our camp sessions. If you know anyone who might be available to fill these needs, we would love to hear from you. Don't miss out on the blessing of being a part of what God is doing in lives at camp this summer. THANKS so much.
