Mission of the Week

Solomon Islands Update: Chad and Patricia Reimer

The camps that were planned for December are now postponed until January when our workers are able to get their long term visa for the Solomon Islands. Please pray that Patricia will be able to get the NGO status application for the Solomon Islands handed in as she has very limited time in Fiji. We pray for God's favour. Our VBS kids were able to send in \$400 to purchase the pipes for fresh water supply for the village in the Solomons. The new primary school will soon be able to provide clean water for the kids. We are eager to pursue the vision to take God's Word to the people in the many tribes where the Gospel isn't available. Pray for Patricia and the team as they start camps in two days in Tiliva, Kadavu.
