### Mission of the Week

**SQUARE ONE WORLD MEDIA: Russia**

The need for Russian Christian children's media is enormous. The Yarovaya law passed in 2016 means that telling people about Jesus in Russia can be risky. Fines, confiscation of property, or jail time are all possibilities for anyone who shares the Gospel without authorized approval.

**To counteract this repression, our Russian Ministry Team has developed an unusual tool: bookmarks.** At the Sunday School conference in the Ural District of Russia, they distributed 7,000 bookmarks that tell kids where to go online to watch episodes of their puppet show.

Since it launched in 2010, **our Russian ministry's YouTube channel has had more than 1.8 million views from 90 different countries.** Thank you for helping make episodes of our puppet show available to Russian-speaking children today.
