Mission of the Week

DVBS 2019: We are very grateful for our team of volunteers and to the parents and guardians for the number of kids who have already registered. The number is at 92 and growing!! So far everything is going quite well, with most leaders in place.

The DVBS theme is simple and encourages kids and adults alike with daily themes like "When life is unfair, God is good" and "When life changes, God is good." God knows what the needs are. We ask that He will show each of us how to pray for each individual.

Thank you Church for your continuous support of this program..

Submitted by Cathy Kroeker and Patricia Reimer.

DVBS Boissevain has chosen "**Hope Without Limits, Kenya**" as the missions focus because of the African theme the kids will be enjoying this session. We will be encouraging our Boissevain children to help by giving towards this cause as we learn about the African culture.

"Hope Without Limits" is supported by friends Abe and Shirley Banman in Winkler. Their goal is to support 35 Orphans who live in Pastor Thomas and Phyllis' home in Maua District, Kenya. (Pastor Thomas was first introduced to us through Christian Camps International when he was the African Camps Director.)
