## Mission of the Week

### **Jeremy and Adrienne Penner with Multiply in Thailand**

We're studying hard to be able to begin preaching & teaching in Burmese in late 2019/2020. We were able to complete our 2nd year Myanmar Language Certification! Pray for us as we shift our focus towards the newer church plants, and as we encourage the newer apprentices. Please Pray that we would be renewed by Jesus, that we would have our eyes fixed on Him, and that He would fill us to overflowing with joy, expectancy, encouragement, and patience. Pray for all of the upcoming events, celebrations, outreaches and family camps. Pray for openness to the gospel, sweet times of fellowship together as a family, and for God's name to be lifted high in our midst! Pray for all of the students in Bible school - that the word would come alive in their lives and in their ministries! Pray for our team as they serve, raise families, and minister in a hard place. Pray for wisdom, courage, and humility. Pray for us as we balance a new renewed focus on language study with ministry, and as we refocus ourselves on family life. Pray for Elya as she grows, and for us as we parent a 1 year old!

This mission of bringing humanity back into relationship with their Father God is what we are all invited into. If you call Jesus Lord, you are called to join Him in this mission.
