Mission of the Week

ICOMB: International Community of Mennonite Brethren

Central Asia: There is an emerging network of churches in Central Asia. In one country (name cannot be specified for security reasons) there is a network composed of about 10 churches which is led by three national leaders in the central, western and northern regions of the country. Many conversions and baptisms happen regularly. Pray for leaders M, R, and H to give needed shepherding to these young churches. Pray for the workers from Europe, North America and now South America to help with discipling and equipping.

Yoshifumi Tanaka – Japan (Nihon Menonaito Burezaren Kyodan – JMBC): Pray for Yoshifumi as he and other conference leaders guide the conference through a transition in leadership. As one generation ages, younger leaders need to be trained and empowered to lead.

Offering for Dec.8 \$8208.35.

Required to balance budget by Dec 31 app \$22000.00
