## **Mission of the Week**

### **Albert and Elvira Enns: Extended Hands Ministry in Romania**

Prayer requests:

- Home schooling is going well but is time consuming for both of us. We need the help of a home schooling teacher and also a maintenance person. Increased finances would be needed to cover the cost of the teacher/maintenance person(s) if they are to come from the national level.
- Financial assistance is needed to make our home more suitable with the addition of a bedroom/bathroom on the ground level.
- Pray for the new students for the Bible School which starts in March. We need 12 professors and 3 translators.
- The ministries are moving forward for God's glory. Pray for wisdom/discernment/patience for Albert as he mentors and oversees the three churches. Pray for safety/strength for Albert as he travels a great deal itinerating for students and mentoring the churches. We praise God that his situation is quite stable even with all the challenges.
- Pray for wisdom about what to do with the campground this summer. If we don't receive help with personnel, we feel we cannot stretch ourselves to do it alone.
- Pray for laborers. The harvest is ready but the laborers are non-existent at this point.

God bless, and then bless you some more, as we all step forward in 2020!
